

**MONOCHROME GT4 AUSTRALIA****SPORTING NOTE #3 – 08/10/25****ROUND 6 – HAMPTON DOWNS****CAR NUMBER REQUEST #56**

The SRO Sporting Board has received a request from Mach1 Racing to use the race number #56 which has previously been used in the Monochrome GT4 Australia Series with Nineteen Racing.

The SRO Sporting Board has taken into consideration that the Mach1 Racing, Mercedes-AMG can not score points in the final round and due to the customs restrictions in New Zealand there are no carry over tyres to consider. The previous entrant Nineteen Racing has also given permission for Mach1 Racing to use the number assigned to them previously.

Therefore, in accordance with the Sporting Regulations, the Sporting Board accepts this request, and the car will use exceptionally use number 56 for the Hampton Downs event.
