

DECISION No: 46

From: The Stewards	Date: 29/03/2026
To: Ryan Sorensen	Time: 16:00 hrs
Series: Monochrome GT4 Australia	Event: Round 1 Phillip Island

The Stewards, having received a report from the Race Director and the timekeeper and having heard from the teams, have considered the following matter and determine the following:

No. / Driver: Car 11 Ryan Sorensen

Competitor: Ryan Sorensen

Time (fact): 11:37 hrs (Time of the incident)

Session: Race 2

Fact: Car 11 entered Pit Lane to commence Mandatory Pit Stop while the safety car was deployed.

Offence: Breach of Article 20.1.2 of the Monochrome GT4 Australia Sporting Regulations

Decision: 40 second time penalty

Reason: A safety car deployment caused the delay in the opening of the Mandatory Pit Stop window. Based on information received the team believed that the MPS window opened at 11.37. This belief was in error as the safety car was still deployed and the MPS could not be commenced until after the end of the deployment. In the circumstances the imposition of a drive through penalty (time equivalent) of 40 seconds was imposed.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Motorsport Australia NCR's, within the applicable time limits.
