DECISION No: 14

From:	The Stewards	**Date:**	1/11/2026
To:	Andrew Miedecke	**Time:**	15:40 hrs
Series:	Monochrome GT4 Australia	**Event:**	Round 6 Sandown

The Stewards, having received a report from the Technical Delegate, and having heard from the Team Representative have considered the following matter and determine the following:

No. / Driver: Car 35, George Miedecke

Competitor: Andrew Miedecke

Time (fact)**:** 12:50 hrs (Time of the incident)

Session: Race 2

Fact: Carry out work in the Pit Lane while Race Suspended

Offence: Breach of Article 47.1 (b) of the Monochrome GT4 Australia Sporting Regulations

Decision: Reprimand.

Reason: Under Safety Car conditions Car 35 entered pit lane to effect repairs sustained during the first lap of the race. While Car 35 was in the pit lane the Race was Suspended. Car 35 had entered the pit lane before the race suspension. Car 35 did not intend to change drivers and was not carrying out the mandatory pit stop. A wheel change and taping of bodywork was carried out while the race was suspended before the display of the 3 minute signal for the race resumption. Due to the extenuating circumstances and the limited work carried out this is not viewed as a serious breach of the rule. It is considered that a reprimand is an appropriate penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Motorsport Australia NCR's, within the applicable time limits.
